Public Review Meeting Description:

Public Review Meetings will be held for each of the Brookhaven Parks that are included in the Site Specific Park Plans project. The review meeting format will allow Community Members to review the Draft Conceptual Master Plans, ask questions and offer suggestions. Comments received will be documented in summary format.

For those who are unable to attend the individually scheduled public review meetings, a general park comments meeting has been scheduled for December 12, 2015 from 10:00 am – 11:30 am at the Briarwood Community Center for the purpose of receiving additional Community Member input.
